

ROBBIE'S AUTISM QUEST[®]

Sometimes I Win, Sometimes I Lose

Playing games is fun!
Sometimes I win!

I like to win!

After I win, I say things like
"Good game!" or "Do you want
to play again?"

That makes my friends happy!

Sometimes I lose.

I don't like to lose.

My friends don't like when I
get sad or mad after losing.

It makes them not want
to play with me.

When I lose, I need to remember
to take a deep breath and say to
myself, "It's okay to lose. Maybe
I will win next time!"

That way my friends will
want to play with me!

I am happy when my friends
want to play with me.

And they are happy too!
